

VIEL MEHR ALS NUR EIN GUTER JOB.

The University Hospital Basel is one of the leading hospitals in Switzerland. Due to our intensive collaboration with the University of Basel and the proximity to several major international life science companies, we are optimally positioned within an innovative knowledge transfer network that operates at the highest level of research, teaching and patient care. With approximately 6'000 employees from 75 countries, we are fully committed to our work and meet the highest professional standards. Join our team – Because our jobs offer more than elsewhere.

asim, the Swiss Academy of Insurance Medicine, is the national competence center for insurance medicine with a research focus on evidence-based insurance medicine and strong collaboration at local, national and international level. Cochrane Insurance Medicine is a recently registered Field of the Cochrane Collaboration (www.cochrane.org). We collaborate with medical experts, researchers and stakeholders to give decisions and recommendations in insurance medicine a more evidence-based structure.
