

Venue Day 1

Hotel Aquatis
Route de Berne 148
1010 Lausanne
Metro Vennes

Venue Day 2

Centre des laboratoires d'Epalinges CLE
Building SC-CLE, Room B305
Chemin des Boveresses 155
1066 Epalinges
Metro Croisettes

One-day symposium and one-day optional short course on rapid reviews

Symposium and short course free of charge – Registration mandatory

Day 1 (29.11.18)

One-day **Symposium** on how to obtain high-quality evidence on specific health(care) issues in a timely and suitable manner. Policy briefs and rapid reviews (RR) offer effective ways of summarizing and communicating current research evidence to policy and practice.

Day 2 (30.11.18)

One-day **Short course** on rapid reviews with more in-depth discussion of methods, by the Cochrane Rapid Reviews Methods Group.

Target audience

Stakeholders from various backgrounds and work settings interested in better understanding the values and concepts behind rapid reviews and policy briefs in evidence-informed decision making.

IUMSP

Institut universitaire de médecine sociale et préventive

Symposium

How to improve the use of evidence-based health(care) information in practice and policy?

The role of rapid reviews and policy briefs, and their synergistic effects

Lausanne, 29-30 November 2018

Registration: <https://www.iumsp.ch/fr/symposiumssph>

Information: Ms. Lucienne Boujon, lucienne.boujon@chuv.ch, +41 21 314 72 62

Symposium funded by SSPH+
